PAYMENT DEFAULTS

Any delay in payment exceeding 30 days will result in levy of a penalty at the rate of 2% for every month of delay.

Should any family anticipate difficulties in paying their child(ren)'s tuition fees or other school expenses in time, it is their responsibility to obtain, at least 24h prior to the published payment deadline, a Late Payment Plan (LPP) from LFID's Managing Committee (including possible late payment penalties). If no prior approval has been obtained, any child whose dues remain unpaid by the payment deadline will be allowed to attend school only until the start of the following school holidays. The child will then be suspended until all pending dues and penalties have been cleared, or until a LPP has been approved by the Management Committee.

Please note that the approval of an LPP by LFID's Management Committee can take up to 20 working days from the date of receiving a formal written request.

Failure to meet the payment terms of an approved LPP will result in the immediate suspension of the child whose expenses remain unpaid, starting from the day after the first missed deadline. LFID and the Managing Committee will not be responsible for any consequences arising from a child's absence due to their parents' failure to pay school expenses (tuition fees or other charges) on time.

A school leaving certificate will not be issued to any child whose family has outstanding dues with LFID.

**Registration or re-registration of a student at the LFID
implies the unconditional acceptance of the present regulations**
