**GROW
LEARN
& THRIVE**

Welcome
to preschool !

DO YOU DREAM OF
**a place where your child
can learn and grow in a safe
and secure environment?**

Discover French international preschool, a unique place where every day is an invitation to discovery. Give your child a safe and caring space for a self-paced exploration of the world.

A reassuring cocoon for little ones

From a very young age, children will be welcomed into an environment tailored to their needs.

A PERSONALIZED WELCOME

Every morning begins with a smile, a kind word, and time to start the day gently so that parents and children feel confident.

NUTURING EVERY CHILD'S RHYTHM

Our spaces are modular and child-accessible. We respect everyone's basic needs: to move, rest, explore, or simply be calm.

Exploration, the driving force behind learning

In preschool, your child is active. Learning stems from natural curiosity:

HANDLING AND EXPERIMENTING

By playing, observing, trying, and inventing, your child gradually develops their language skills and confidence.

GROWING UP AND LIVING TOGETHER

Your child develops independence and learns to interact with others in a spirit of respect and sharing.

Multilingualism at the heart of our DNA

In our schools, multilingualism is a daily and living practice.

NATURAL IMMERSION

Languages are a lived reality. In our classrooms, your child benefits from early and regular exposure to English: through stories, games, and exchanges, learning another language becomes familiar to them.

CULTURAL OPENNESS

We value everyone's languages and cultures. Growing up in contact with children from all walks of life, your child will develop an open mind and a curiosity about others on a daily basis.

À la maternelle,
chaque journée
est une belle aventure.

Constant dialogue with you

Choosing our preschool means joining a community that puts the well-being of the child at the centre of everything

AN EDUCATIONAL PARTNERSHIP

We constantly strive to strike a balance between your family's needs and respect for your child's pace

A SHARED SCHOOL LIFE

School and extracurricular projects are developed and adapted by our qualified professionals in open dialogue with you

AT PRESCHOOL, EVERY DAY IS A WONDERFUL ADVENTURE.

A path to grow, discover, open up to the world, and build the foundations for a fulfilling education.
